Attendance

This page has two tabs, an attendance summary, and a calendar view.

The session summary shows a count of all attendance marks received by the student and as a percentage of total possible school attendance. Additional charts show the student's overall attendance pattern as the academic year develops week by week.

Week	7	28	29	30	31	32	33	34	35	36	37	38	39	40

Behaviour

Tabs on this page will show various details of behaviour recorded in GO 4 Schools:

| Behaviour summary | View behaviour events ▾ | 🕐 Detention summary |

The summary of all events table is a count of all types of event recorded for an individual student and the total score for each event raised. These can be viewed by positive, negative, and neutral events.

Event	Count		Student score	
C3 Serious out of lesson incident	1		-3	
P1 Verbal recognition for a good contribution	17		17	
C3 Removal from lesson significant disruption to learning	2		-6	
C1 Warning for poor choice in lesson	3		-3	
Late for lesson	3		-3	
C2 Low Level Disruption	7		-14	
Parental Conference	2		0	

Behaviour by subject and group displays a student's behaviour net score from both positive and negative events and then compares this to the subject average score for all other students who study this subject in the same year group.

View behaviour events: this tab enables the display of all recorded events in date order with options to view additional details including school notes and detention information if applicable.

Progress

Summary Progress displays a table that can be set to show progress by residual value or grade value for all subjects.

The summary curriculum overview table has options to display simple grades, detailed grades shared by the school or an all-assessment view (like the legacy site).

If detailed assessment data has been shared by the school each subject can be viewed by using the **View subject in detail** tab. This will show assessments within marksheet or individual assessment level including formative assessment.
